In a gesture of reaching "across the aisle", I thought we could leave daily messages for Mondo here since he is intent on stalking this board (while saying he never comes here LOL).

So, hello Mondo. Happy Wednesday to all your alternate proxy personas too!

ROFLMAO... Okay... We can do that here in the scat littered sandbox of the forum.

I cannot fathom how he believes that ANYONE, aside of the "naïve rube, GOG" buys into his multi-persona nonsense anymore ?? He's not even clever about it.

On the short board is a brief discussion about legal pursuit of a troll, with award of heavy civil penalties for his misconduct.

Subject of this thread produced more than ninety pages of such damaging material against at least four other people, now in the investigative files of jurisdictional authorities. Every time this troll lurks here, reads something, and carries it back to his nest for ridicule and disparagement, he adds to the file. Every single time.

Should he worry? Civil follows criminal. I wonder how it will feel, a person so entrenched and immersed in politics, to be unable to vote because he's a convicted felon?

Nope. One who follows in footsteps of the one who got walloped for outrageous attacks, who is likely to see this. Who was recently caught with his pants down in the cookie jar.

I once had a stage manager named Willis.

Today's Mondoism (like Dumb Deanna's daily Twitter report?):

Mondo Fuego™

Man, the Blew Bode is on fire Thu Jul 25, 2019
1:25pm 68.114.132.44 1 thread in the past 24 hours. 3.5 posters, 3 of them with an IQ < 65.

Yaller Bode averaging 2 or 3 threads a day.

HammerDeus is desperate for attention now that he has been squeezed by the balls.

Moribund, I say!

so concerned about what WE do. Sheesh. Is he still pretending to be multiple posters and counting them as if they are real people ??? LOL. Poor thing, he's losing it.

As for our boards, I'd been at the hospital most of Wednesday getting my monthly labs and multiple other tests done. While there, my rheumatologist discovered another infection on my lower neck where a tick bit me last week. Since I'm immunocompromised, even mild "injuries" turn into a cellulitis infection. UGH.

Plus, I spent half of Tuesday at Concord Hospital with my husband. He's having two more major surgeries-- a laminectomy on two more spinal disks in early August and then a complete L shoulder replacement in early October. We met with both surgeons to discuss "timing" and recovery.

Now, I'm at my daughter's taking care of Evelyn today and tomorrow. I'm BUSY...

Amadeus was on VACATION for a couple of weeks. What's with the claim that he's "desperate for attention" ??

Mongo is losing his marbles.

EWWWW... LOL...

I believe that it's Halloween this year, or sooner, depending on what the owners wind up doing. They don't always follow announced timetables. They closed up a bunch of databases without warning last March.

Any reason to shut a board down is a good reason for them given that they want OUT. They've closed "slow boards" already.

Latest insanity from Mongo - and the final straw, for me:

Mondo Fuego™

Where are the neck rings and lip plates?

Sun Jul 28, 2019 12:11pm68.114.132.44

The Enemy Within:

That's her Kultur.

This is America, not Islam.

She is not one of us.

She offers nothing but hate.

I told him I was disgusted and am leaving his board. Can't deal with the racism, hatred, and bullying anymore, it's sickening. And I'm not the only one who's attacked, ANYONE who disagrees with the little thug is attacked - either by his little gang of Righties, or his sockpuppets.

Enough, already.

Well, I'm not surprised. You're always welcome here, on the message board, and on R&E, so no big loss.

His board tends to turn folks into some version of them after being constantly exposed to it for long. Hatred and nastiness is obviously prized there and, from what I remember, there's virtually NO actual discussion about anything, only attacks on each other for simply not being of the same mind as them.

Plus, DeeDee, THE dumbest human being imaginable. The pure stupidity of that woman is enough to drive anyone out of their gourds. Plus, all of the fake posters, it's enough to disgust anyone.

It'll pass though.

Mondo Fuego™

Hey, Trish ...

Mon Jul 29, 2019 3:16pm68.114.132.44

Here's what Pikey-Poo said about me.

<http://mb.boardhost.com/CivilizedDiscussion/msg/15642887>

According to Mondo, my music sounds like a hacksaw. I have a hacksaw and am studying it with intent to make it an instrument. The blade can be tightened and thus tuned, and played with a rosined bow. Touching the blade in Pythagorean sections produces harmonics. Can be played with mallets too. Teeth drawn across various objects also pitches the blade. There are more sounds. My intent is to compose a piece for hacksaw, play and record the parts, put them together, and produce it. I'll use it somewhere else. But attribute of inspiration belongs to him.

[Then Pikey-Poo follows with an outrageous lie:]

He wrote libelous things about my daughter. I don't do well with people like him. What he wrote makes me feel like beating the hell out of him. When they go after our children, that crosses all kinds of lines.

Your response to Pikey-Poo's libelous post:

<http://mb.boardhost.com/CivilizedDiscussion/msg/15643221>

Posted by Trish aka Loresinger on July 28, 2019, 9:55 am, in reply to "What the _____ kind of trick thread is this?"

You'll find I am pretty WYSIWYG. I don't have the energy for playing games with people. I come to boards like this to talk and let off some steam periodically. What happened with your daughter is enough to make me want to beat the crap out of Mr. Fancy pants.

Seems like you two frustrated old hounds are into physical

violence. Maybe you could beat each other senseless with clubs. WAIT! You two are already senseless.

P.S. - Got him to do something he claims he NEVER does, and that's ban someone (me) from his board. Apparently he got tired of being called a liar on the issue of his frequent use of sockpuppets.

All I can say to the doofus is, if you don't want to be called a liar, DON'T LIE! Like being called a racist - stop BEING one!

Quite elementary, actually... 😊

I'm not surprised. You see his whole enemies list on one page, there. It's "abuse" to Mongo if anyone disagrees with him, and he answers it by abusing THEM, then posting their posts on the Abuse page.

What an absolute douche...

Born to Farm is NOT a mongo "sock puppet" and not at all normally a troublemaker. It is impossible to "sneak onto the board" ? It's a registered poster. I cannot share the "usual name" because I do not know if the choice to use a disguised name is to keep the poster's identity a secret or not.

I believe that BtF was referencing what you'd written above within this thread about never going back and not necessarily intended to be a slam on you, but a sincere, if ill-considered, inquiry about what you'd written yesterday.

It's obviously an attempt to BURY his offenses that overwhelmed the Abuse Database when R&E and the old Blue were still operational on

Webapps. Won't do any good. Google his name or IP and VOILA, there they all are.

His material, from numerous reports is visible at
<https://www.abuseipdb.com/>

Looks like about twenty or more IP addresses.
Every time he writes about me, or mentions me, strengthens my case.
Pity I have to wait in line, because he did this to other people too.
